

Dear exhibitors,

I would like to take this opportunity and inform you that Belgrade Fair, as a socially responsible company, is closely monitoring the development of the situation that arose due to COVID-19 virus.

As the organizer of the largest building trade fair in the region and above all aware of the responsibility we have, we have conducted a thorough analysis of all relevant facts and realistic assumptions about the newly emerged situation.

Based on the risk assessment, we have decided to organize the 46th SEEBBE 2020 International Building Trade Fair on different dates.

The new date - SEEBBE Fair to take place from 10th until 13th June 2020.

I am at your disposal for any additional information you may need.

Best regards,

BELGRADE FAIR
